STATEMENTS OF AGREEMENT

Please carefully read the following statements. If you agree, please sign them.

APRC Statement of Faith

Following are important truths in which we at Agape Pregnancy Resource Center believe. All Board of Directors members, employees, and volunteers of APRC must maintain beliefs consistent with the following statement of faith:

- I believe in one Sovereign God, eternally existing in three persons: God the Father, God the Son (Jesus Christ, our Lord), and God the Holy Spirit; I believe that God alone created the heavens and the earth out of nothing by His spoken word.
- I believe that God has revealed Himself and His truth in the created order, in the Scriptures, and supremely in Jesus Christ, and that the Holy Bible is inspired by God, infallible in all that it teaches and the final rule of faith and practice.
- I believe God created human beings in His own image to fellowship with and serve Him forever, but that through Adam's sin, the human race fell into a state of sinfulness that resulted in separation from God and condemnation to death.
- I believe that Jesus Christ, conceived by the Holy Spirit and born of the Virgin Mary, is true God and true man, existing in one person and without sin; that he died on the cross for our sins, was raised bodily from the dead, and offers forgiveness for sins and victory over death unto eternal life to all who believe in Him as Savior and Lord.
- I believe that grace is free for all who ask. No one can earn a place in God's family through doing good deeds. Once a believer enters God's family, he or she is eternally secure as a child of God. Every believer has direct access to God through prayer.
- I believe that the church is the body of Christ made up of all believers; that Jesus Christ is its head; that the Holy Spirit energized the body to bear witness for Christ in the world.
- I believe in the blessed hope that Jesus Christ will return to this earth personally, visibly, and unexpectedly, to gather His church, to raise the dead, to judge the nations, and to bring His Kingdom to fulfillment.
- I believe that God wonderfully and immutably creates each person as a male or female. These two distinct, complementary genders together reflect the image and nature of God. (Gen 1:26-27.)
- I believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. (Gen 2:18-25.)

STATEMENT OF SANCTITY OF HUMAN LIFE

Agape Pregnancy Resource Center affirms the sanctity of human life as established by God the Creator and believes that such sanctity extends to the child not yet born. Life is a gift from God. All human life, including life developing in the womb, is created by God in His image and is, therefore, to be nurtured, supported, and protected. From the moment of conception, a child is a human being with all the developing characteristics of human life, and this life is dependent on the mother for its continued development. Therefore, we believe that human life must be respected and protected from the moment of conception. We oppose induced abortion by any means.

5. APRC shall encourage chastity as a positive lifestyle choice.

9. Understanding that the congruity of principle and action is an integral element in the integrity and effectiveness of the program, client advocates and other representatives of the APRC shall abide by the standard of sexual purity in the form of marital fidelity if married, and sexual integrity if unmarried.

CONFLICT RESOLUTION POLICY

Matthew 18 describes the biblical principle for resolving conflicts. As a faith-based organization committed to obeying God's Holy Word, the Board of Directors and all staff and volunteers of the APRC will implement the model set forth in Matthew 18, and will follow the procedures listed below for conflict resolution.

Biblical Principle: *“And if your brother sins, go and reprove him in private; if he listens to you, you have won your brother. But if he does not listen to you, take one or two more with you, so that by the mouth of two or three witnesses every fact may be confirmed. And if he refuses to listen to them, tell it to the church...” Matthew 18:15-17 (New American Standard Bible)*

Procedures

1. Each member of the Board of Directors, the Executive Director and all staff and volunteers will sign the *Conflict Resolution Agreement*. The original copy of this signed agreement will be placed in the staff or volunteer's personnel file and a copy of such signed agreement will be given to the signer. (All staff and volunteer personnel files, including Board member files, will be kept on site at the APRC's administration office.)
2. If a staff member or volunteer has a conflict with the Executive Director, he/she will speak directly with him/her about the problem before discussing the issue with a Board member. No Board member will speak with a staff member or a volunteer of the organization about any issue regarding the Executive Director before the staff member or volunteer has followed the procedures defined herein. If the complainant is unsatisfied with the response from the Executive Director, he/she will fill out a *Concern Report* and submit it to the Executive Director.
 - a. The Executive Director will submit the *Concern Report* to the Board Chair within 24 hours after receiving the form. The Board Chair will then determine if the entire Board of Directors should address the complaint immediately or if the complaint can wait until the next Board meeting.
 - b. If the complainant files the *Concern Report* because they believe that the Executive Director has committed illegal or unethical acts that jeopardize the organization, the complainant shall submit the *Concern Report* directly to Board Chair. Within 48 hours after receiving the *Concern Report*, the Board Chair or his designee will contact the complainant informing him/her that the complaint has been received and will be duly investigated. A determination will be provided in writing to the Executive Director and the complainant.
3. If a staff member or volunteer has a conflict with another staff member, he/she will speak directly to him/her about the problem. If the complainant is unsatisfied with the response, he/she will fill out a *Concern Report* and submit it to the Executive Director.
 - a. The Executive Director will determine if the entire Board of Directors should address the *Concern Report* immediately or if it can wait until the next board meeting.
 - b. Within 48 hours after receiving the *Concern Report*, the Executive Director or her designee will contact the complainant, informing him/her that the *CONCERN REPORT* has been received. The complaint will be investigated, and a determination will be provided in writing to the Executive Director and all staff members involved.
6. Good Faith Required. In the event the Executive Director or Board of Directors determines that a complaint has been filed maliciously and in bad faith, the filing of such a complaint shall be deemed to be a serious offense. The Board shall take disciplinary action against the complainant in a manner that it determines appropriate.
